His Holiness Maharishi Mahesh Yogi,

The most devoted disciple of Sri Gurudev Anant Sri Vibhuti Swami Brahmananda Saraswati Ji, Jyotishpeethodharak Shankaracharya of Jyotish Peeth, Badrikashram Himalaya is widely regarded as the foremost scientist in the field of consciousness and is considered the greatest teacher in world history. More than 10 million people in all parts of the world and from all walks of life practice Maharishi's Transcendental Meditation. So far, 40,000 teachers of Transcendental Meditation have been trained, and more continue to be trained. Additionally, more than 5 million people have learned Maharishi's Transcendental Meditation Siddhi program and actively practice Yogic Flying.

An important aspect of the Global Nation of Peace is the Ram Currency, a global development currency, issued to eliminate poverty and usher in a new era of prosperity and peace for all humanity for all times. It should be the endeavour of all governments to use this concept to improve the economy of their countries.

Maharishi Ji has given a plan to establish 3000 peace centres of world governance through Maharishi Vishwavyapari Ramrajya capitals in major cities worldwide.

About Maharishi Mahesh Yogi Ramayan Vishwavidyalaya

Maharishi Mahesh Yogi Ramayan University has been established with the primary objective of providing opportunities for intellectual renewal for ROLE EFFECTIVENESS at graduate, post graduate, and doctoral levels of higher education. The University offers Programs in various subjects related to Shri Ramayana, Ramleela and Ram Raj including Maharishi Vedic Science and Technology, Sanskrit, Humanities and Fine Arts, Business Management, Commerce and Entrepreneurship, Science and Applied Science, Health Science, Social Science, Computer Applications, Engineering and Technology etc.

From the Chancellor's Desk

Ajay Prakash Shrivastava
Maharishi Mahesh Yogi Ramayan University

Dear Students

Maharishi Mahesh Yogi Ramayan University has been established to provide an integrated, logical, and technology-based education for the fastest growing industries across all domains. It offers unique industry-oriented programs, aligned with global standards, presenting a model of futuristic education that is widely accepted and acclaimed by industry experts. Here, we nurture logical, talent and innovative ideas, transforming creative minds into skilled and passionate MMYRVians. Specialized programs across multiple domains emphasize practical principles and processes, preparing students to step into the future with confidence. I wish all the students the very best as they embark on this new phase of their lives. I am sure that they will enjoy and benefit enormously from the MMYRV experience.

Vision

Knowledge with Indian knowledge Systems

To become a university of excellence, a lighthouse of life-oriented living, promoting Indian Shastra and Vedic knowledge, by gifting humanity the most ideal way of life. His Holiness Maharishi Mahesh Yogi Ji has spread this philosophy to the citizens of 120 countries.

Mission

To develop the University as a unique institution of higher education inspired by the nature of Shri Ram, Ramayana, Ram lila, and Ram Raj, encompassing every discipline necessary for the management of life.

To provide the experience of higher states of consciousness, which form the foundation of human life, the prime mover that governs the ever expanding universe according to the constitution of the universe and the laws of nature.

To develop Ayodhya Ji as the prime centre of Vedic knowledge, particularly in managing the evolution and development of life in harmony with the laws of nature. This will nurture collective consciousness in society, establish the long awaited eternal world peace, impart the gift of knowledge to each individual and ensure invincibility for each nation in the family of nations.

Campus Facilities

Campus

Lush Green & Spacious Campus

Wi-fi

Wi-fi facility is available
24X7 covering the entire campus

Security

Security of the students is one
of the University's highest priorities

Library

The Library facility is available
for the all Students

Hostel

Each hostel room is very spacious
and is equipped with AC along
with attached bathroom facility

Mess Services

All residents are provided with meals
including Breakfast, Lunch, Dinner
along with Evening Snacks

Maharishi School of Engineering & Technology

Maharishi School of Engineering & Technology is one of the important components of the university, imparting education in all streams of engineering including Computer Applications, Bachelor's and Master's in Computer Science and Information Technology. It is one of those Schools of the University that offers programs that provide applied knowledge and skills in the field of Engineering and Technology. The School is well equipped with decent infrastructure required for imparting the education in this field. The faculty members are highly qualified for the purpose and interact with the students at all levels to provide solutions at every stage. The Placement Cell is also actively involved with the students to get them placed in reputed organizations. The school also encourages the students to participate in all curricular and co-curricular activities for all round development of the students. The school offers Bachelor's (B. Tech/ BCA), Master's (M. Tech/ MCA), Diploma Programs in various branches such as CSE/CE/EE/ECE/ME in different modes .

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year
Engineering	B. Tech CSE / ME / EE / ECE / CE	10+2 minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Physics, Maths, Chemistry/IT/CS	80000.00
	M. Tech (Software Engineering, Production Engineering, CTM, AI, Structural Engineering, Communication System, Power System) Regular / Evening / Part Time	Passed Bachelor's Degree or equivalent in the relevant field. Obtained at least 50% marks for Gen/OBC and 45% for SC/ST students	B.tech in relevant field	68000.00
Computer Application	BCA	10+2 minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Any stream	35000.00
	MCA	Passed BCA/Bachelor Degree in Computer Science Engineering or Equivalent Degree. OR Passed B.Sc./B.Com./BA with Mathematics at 10+2 Level or at Graduation Level. Obtained at least 50% marks for Gen/OBC and 45% marks for SC/ST	Computer Science / Mathematics	60000.00
Diploma	CS / ME / EE / ECE / CE (Regular / Evening / Part Time)	Passed 10th examination with at least 35% marks	No specification	25000.00

Maharishi School of Sciences

The Maharishi School of Science provides a comprehensive education in Applied Sciences, encompassing Zoology, Botany, Physics, Chemistry, Mathematics, and Biotechnology. The school recognizes the importance of these disciplines in understanding the natural world and emphasizes their practical applications in our daily lives. While often perceived as challenging, science is presented as a natural and accessible field, exploring phenomena we often take for granted. The curriculum aims to foster critical thinking, problem-solving skills, and a deeper appreciation for the interconnectedness of scientific principles, ultimately empowering students to contribute to a brighter and more fulfilling future.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year
Science	B.Sc. (Biotechnology/ Physics / Chemistry / Mathematics / Botany / Zoology)	10+2 minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Physics, Chemistry, Maths / Biology /CS/IT	24000.00
	M.Sc. (Biotechnology/ Physics / Chemistry / Mathematics / Botany / Zoology)	B.Sc. with min. marks 45% for Gen/OBC & 40% for SC/ST	Graduation in relevant field	30000.00

Maharishi School of Humanities

The Maharishi School of Humanities delves into the complexities of human society and culture through a wide range of disciplines, including History, Political Science, Sociology, Psychology, English, Economics, Hindi, and Education. These studies encourage students to explore diverse perspectives, develop empathy, and cultivate a nuanced understanding of the human experience. By examining historical events, social structures, political systems, and cultural expressions, the School of Humanities aims to foster critical thinking, effective communication, and a strong sense of civic responsibility. Ultimately, the goal is to equip students with the knowledge and skills necessary to navigate an increasingly interconnected world and contribute meaningfully to society.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year
Humanities	BA (English / Psychology / Political Science / Economics / Sociology/ Hindi / History / Social work)	10+2 minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Any stream	12000.00
	Bachelor of Library Science (B.Lib.)	Bachelor (Three Years) Degree of recognised university with 45% and above.	Any stream	18000.00
	MA (English / Psychology / Political Science / Economics / Sociology/ Hindi / History / Social work / Education)	Graduation in any discipline with min marks 45% for Gen/OBC and 40% for SC/ST	Any stream	12000.00
	Master of Library Science (M.Lib.)	B. Lib. From recognised university with 45% marks		22000.00

Maharishi School of Business Management

The Maharishi School of Business Management endeavors to provide the best quality and industry based education in the field of commerce and management to the students for their better future and career. The school consistently emphasizes on concept building, skill based education, industry exposure and developing entrepreneurial temperament, along with inculcating managerial skills via various industry-academic interfaces through appropriate curriculum design, industry tie-ups and incubation cell facilities. The school continuously focuses on learning of modern and innovative teaching pedagogy and upgradation of faculty knowledge and expertise in their specialized areas.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year
Commerce	B.Com	10+2 with minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Science / Commerce	24000.00
	M.Com	B.Com/BBA/BA with Economics, min marks 45% for Gen/OBC and 40% for SC/ST	Any stream	15000.00
Management	BBA	10+2 with minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Any stream	35000.00
	MBA (HR, Finance, Marketing, IT, Hospitality Management, IB) Dual Specialization	Passed Bachelor Degree of Minimum 3 Year duration. Obtained 50% marks for Gen / OBC and 45% for SC/ST students	Any stream	40000.00

Maharishi School of Science of Consciousness

The School of Science of Consciousness, a one of its kind department seldom seen in other universities, was established in the year 2020, to understand how the Unified Field of pure consciousness, the basis of our existence, is also the basis of all knowledge, accessible within oneself. Access to that infinite, unbounded field of pure consciousness, which gives rise to the laws of nature that govern the functioning of the universe, can be used to promote the holistic development of the person, through unfoldment of their full mental potential. Thus they are set on the path towards a balanced, happy, stress-free, continuously evolving future, for themselves and the world family of nations. The primary interest of the Maharishi School of Science of Consciousness is to fulfil the most important objective of Education – the full development of the student. By laying emphasis on Human Consciousness, which is fundamental to learning, we are able to discern fundamental values hidden from view. To promote a system of education that understands all fields of study in the light of Consciousness and Maharishi's Science of Creative Intelligence, which satisfies the mind, ego and intellect and also develops the consciousness, that creates sharp minds and also loving hearts and that creates balance and bliss in a person's life, is the ethos behind all our courses.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year
BA Yoga		10+2 minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Any stream	30000.00
MA Yoga		Graduation minimum 45% marks for Gen/OBC and 40% for SC/ST/PWD	Any stream	30000.00

Maharishi School of Vedic Sciences

The Maharishi School of Vedic Sciences offers a transformative education that seamlessly integrates ancient Vedic wisdom with modern learning. Rooted in the teachings of Maharishi Mahesh Yogi, our curriculum is designed to cultivate the full potential of every student by awakening pure consciousness—the source of all thought and action. Through the practice of Transcendental Meditation, yoga, and other consciousness-based techniques, we foster holistic development—nurturing mental clarity, emotional resilience, and spiritual well-being. Our experienced faculty and state-of-the-art facilities provide a dynamic environment where students excel academically while cultivating inner peace, creativity, and self-awareness. At Maharishi School of Vedic Sciences, education goes beyond knowledge—it is a journey of self discovery, empowerment, and balance, preparing individuals for a purposeful and fulfilling life. Fulfilment of the quest for knowledge is the offer of the Maharishi School of Vedic Sciences.

Department	Programme	Eligibility Criteria	Compulsory Subjects	Fee per year
Maharishi School of Vedic Sciences	BA in Vedic Sciences (Yogic Science / Ved / Vedic Vyakaran / Bhartiya Darshan /Sanskrit/ Jyotish / Sthapatya Ved)	10+2 minimum 35% marks for Gen/OBC and 33% for SC/ST/PWD	Any stream	8000.00
