Name of the Company: Rupeek

About the Company: Rupeek, established in 2015 and headquartered in Bangalore, stands as India's leading asset-backed digital lending fintech platform. Committed to making credit accessible to Indians in a fair and convenient manner, Rupeek pioneers innovative financial products focused on monetizing India's $2 trillion gold market. Leveraging state-of-the-art technology and an automated asset-light supply chain, Rupeek is transforming the gold loan disbursal landscape across 40+ cities in India. With a customer base exceeding 5,00,000+, the company's strategic partnerships with top banks and financial institutions underscore its commitment to building gold-backed assets through low-risk, low-touch, and friction-free processes.

Rupeek's impressive journey is supported by key investors such as Sequoia Capital, Accel Partners, Bertelsmann, and GGV Capital. In Apr 2024, Rupeek turned profitable and raised $25M in equity capital from Manipal Group and Elevation Capital to fund its next phase of growth.. Join us in redefining the future of finance through innovation, technology, and a commitment to financial inclusivity.
